

# Storytime Suggestions for *Scaredy Squirrel at the Beach*

## Storytime Props

Make storytime more creative with props and group participation. Build your own beach paradise by following Scaredy Squirrel's Guide to Building a Safe Beach. Don't forget to store all your props in a bin for next time.

You might include:

- beach scenery (a simple drawing will suffice)
- small inflatable pool
- flashlight
- Hawaiian shirt and sunglasses
- plastic flamingo
- world map or map of North America

## Activity Materials

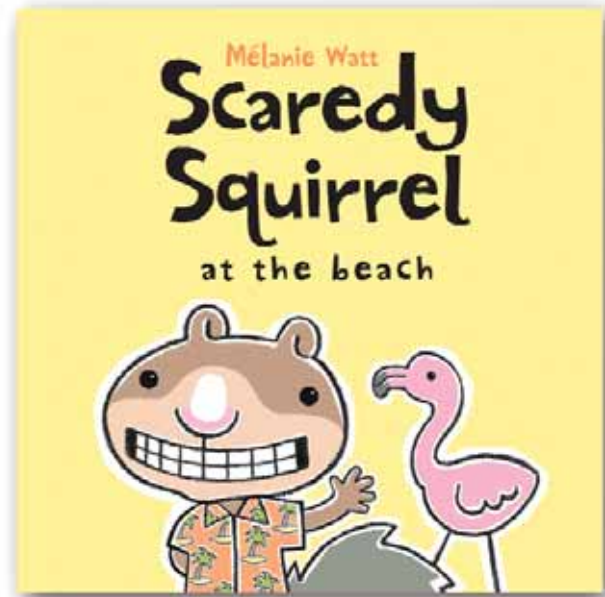

- pencils and pencil crayons
- photocopies of each activity

## Before Storytime

Print and distribute the Scaredy Squirrel printable name badges. Ask your group where they have already traveled, and where they would like to travel in the future, and why? Using map prop (optional) show the children where they've traveled on the map.

## After Storytime

Hand out a copy of the empty-suitcase to each person in the group (see page 2 of this activity). Ask your group what items they would pack for their own perfect vacation? Then ask your group to fill in each of the squares with the items. If time permits, have kids share their work with the group.
